- September 14 for the Wednesday group
- September 15 for the Thursday group
- September 10 for the Saturday group

WHAT EXACTLY IS SUBWAY SLEUTHS?

Subway Sleuths is a 10-week program for kids who love trains, are able to talk to peers about this shared passion, and who can move around with a small group to explore the Transit Museum! Sleuths collaborate to solve train mysteries, play motivating cooperative games, and learn exciting train facts. The program uses their shared interests in trains to help them navigate social experiences with their peers. All sessions take place while the Museum is closed to the public, which means that Sleuths have the trains, the buses, and turnstiles all to themselves!

- Sessions are facilitated by a special education teacher, a speech-language pathologist, and a Transit Museum educator (all trained in ASD support).
- \$350 for all 10 sessions. Scholarships available.
- To APPLY for Subway Sleuths FALL 2016 visit nytransitmuseum.org/access
- CONTACT Meredith Gregory at 718.694.1823 or e-mail access@nytransitmuseum.org with any questions
