PARTY ON WHEELS!

SATURDAY **MAY 16, 2020** ACTIVITIES AND SCHEDULE

12:00 WELCOME!

12:10 PUPPET SHOW: Fionn Finds A Home

Watch a puppet show to learn all about Fionn, the fish who finds a home at Redbird Reef with the help of some underwater friends.

12:20 STORYTELLING AND EXPERIMENT: Mary Walton and The Noisy Elevated Trains

Join a costumed storyteller to learn about Mary Walton, the 19th century scientist and inventor who discovered a way to quiet the elevated trains.

12:35 MUSIC PERFORMANCE: Seth Ginsberg

Move and groove to transit-themed music with musician and educator Seth Ginsberg.

12:45 VIRTUAL TOUR: Museum Platform and Vintage Train Cars

"Walk" the Transit Museum's platform and learn fun facts about some of our favorite vintage train cars.

1:00 ART-MAKING: Thanking Community Helpers

See some cool photos, think about transit workers throughout history and today, and make a poster for your window to thank our community helpers and transit workers.

1:10 MUSIC PERFORMANCE: Seth Ginsberg

Close out our virtual Party on Wheels with more music and movement, and sing along to some favorite tunes.
